Harold Petersen Bulk Milk

Harold: We sold out for \$30 000.000. 2 ½ years later he sold out, I think he owned a tractor on lease hire, I think he owned a tanker and he sold for \$250 000.000.

The!: \$250 000.00, he had the Sarina run too.

Harold: We went into bulk milk in 1974, four years in bulk milk before we sold out.
